

FIRE PROCEDURE

Your cottage has a number of features to minimise the risk from fire;

- No smoking policy
- Fire retardant furniture
- Smoke Alarm
- Fire blanket in kitchen

To minimise the risk to yourselves please take time on arrival to familiarise yourselves with the cottage, in particular;

- Fire exit and the quickest route from all rooms to the exit
- How to open windows and what is below
- Location of fire blanket in kitchen

If there is a fire;

- **Safety first**
- Attempt to put the fire out i.e. make use of the fire blanket **DO NOT PUT YOURSELF OR OTHERS AT RISK BY DOING SO**
- Make your escape by the nearest door exit. If your exit is blocked then use the window.
- Phone **999** - you can also call **112**
The address is at the top of this page. The Fire Brigade will not know your cottage name so if required say Holiday Cottages at West Woolley Farm, Woolley, Bude, Cornwall, EX23 9PP
- Alert other guests in the other cottages if safe to do so.
- Congregate on the green in the middle of the village.
- Alert the owners, phone numbers at top of page. It would be worth saving the numbers in your mobile now.
