## Multiple Cottage Bookings – Additional Conditions

- “Conditions of Hire” applies to Multiple Cottage Bookings bookings.
- “Multiple Cottage Bookings – Additional Conditions” applies to bookings for more than one cottage.
- The owners shall decide what constitutes a multiple booking.
- It is necessary to complete and return a booking form and cottages will be reserved once the booking deposit or full payment has been received.
- The person completing the booking form shall be our contact and shall be responsible for the actions of the whole group occupying the cottages.
- A damage deposit of £150 per cottage shall be payable eight weeks before arrival or at the time of booking whichever is the sooner. The damage deposits shall be aggregated to cover the cost of damage in any or all of the cottages.
- The damage deposit shall be returned less the cost of any breakages, repairs or replacements once the cottages have been cleaned and checked by the owners. This will usually be within a week of departure.
- The owner's decision shall be final.
